Term 3 Welcome
It is great to see all our students back from holidays and ready for yet another busy term at MNPS. On Monday staff were engaged in activities related to the National Collection of Data on Students with Disabilities which will untimely be used to advise and generate funding for the school for years to come. There was some maintenance work carried out on the school site during the holidays that saw our problem trees trimmed, a new storage facility constructed, all our carpets were cleaned and thanks to the Crocker family, our playground markings were significantly improved as well. Already we are looking at a very full schedule of events with the highlights being our Public Speaking Finals, Education Week Open Day, Zone Athletics carnivals and the Sutherland Shire Schools Music Festival. We look forward to sharing these great events with you all.

Calling All Kinders For 2015
We are currently receiving a number of enquiries for enrolment for Kindergarten from families who live outside our local area. It is school policy to ensure that all our local students have priority for enrolment and so I am asking that if you have a child you intend to enrol into Kindergarten 2015 (or know of someone else) and have not yet let us know could you please do so as soon as possible. This greatly helps with organisation and forward planning. Thanks.
